

VIEUX CARRÉ ARCHITECTURAL REVIEW COMMITTEE

City of New Orleans

Notice of Public Meeting

WEDNESDAY, APRIL 8, 2020

12:00 PM, WebEx Conference Call

(504) 658-7001, Access Code: 993 282 932

The public is invited to dial-in to the teleconference at the above listed number in order to participate in the review.

PUBLIC COMMENT: Following the presentation of the staff reports, the Committee will take a 30-minute recess to allow for submittal of public comment by email to VCC@nola.gov. The comments will be read to the Committee members prior to any motion or vote for each item. Please limit the length of your comments to what can be read within two minutes.

****Due to the recent cyber-attack, online access to submitted materials is unavailable at this time. If any member of the public wishes to review the submitted applications or drawings prior to the hearing, please contact VCC staff via EMAIL at VCC@nola.gov**

Due to the current extenuating circumstances, it is not practical for the VCC to schedule a typical, full agenda. At this time the VCC will schedule only issues that need serious, immediate attention; projects which could have dire, existentially detrimental damage should they be deferred until the end of this situation (i.e. structural issues, serious demolition by neglect, etc.). Items that do not meet these criteria will be reviewed once the Committee returns to normal operation.

At the Wednesday, April 8th, 2020 meeting, the following items may be discussed.

AGENDA

New Business

1100 Royal St.: Gibbs Construction, applicant; 1100 Royal St. Condo Assn., owner;

Proposal to make structural repairs to building and gallery as per application & materials received 03/18/2020.

632 Esplanade St.: Dixie Shoring & Construction, LLC, applicant; Angela Johnson, owner;

Proposal to repair foundation and level existing main building, including the installation of new pile-supported continuous concrete footings and piers, per application & materials received 03/06/2020.

634 Esplanade St.: Dixie Shoring & Construction, LLC, applicant; BR549 Holdings, LLC, owner;

Proposal to repair and install partial new foundation at the main building, including the installation of new concrete footing, eight (8) new concrete block piers, and a new steel beam on top of new piers, per application & materials received 03/06/2020.

Next AC date: TBD – VCC Staff will notify the public when the next meeting has been scheduled.
